An exciting opportunity has come up for three Pentecostal Churches, in three communities of London, in three boroughs to join a year long life changing and deeply transformational congregational development action community in Partnership with the NCLF and WILLIAM SEYMOUR PROJECT.

This programme is in response to SECTION 1 of the NCLF political Manifesto and for NCLF and WSP church leaders, congregations and young leaders who are serious about making significant impact in their local community, are serious about growing their congregation, are serious about developing the leadership capacity of their congregations and are serious about responding to the pressing issues in their local community context.

WHEN: October 2019 - September 2020

WHERE: CENTRE OF THEOLOGY AND COMMUNITY

COST: £5000
